

EVVIA

E S T I A T O R I O

According to myth Hellenic cuisine began as Zeus planned his wedding banquet to celebrate his marriage to the Goddess Hera, on the island of Evvia. Zeus commanded Dionysus, the God of food and wine, to gather the world's freshest, healthiest and most savory ingredients and prepare a banquet "fit for the Gods". Zeus loved this food so much that he decided to share it with his beloved Greek mortals giving birth to this new cuisine. At Evvia Estiatorio, we prepare Hellenic and Mediterranean cuisine in a style of innovative California fare. "KALI OREXI"
